

## **BOOK CLUB: A LITERACY GROUP FOR ADULTS WITH INTELLECTUAL IMPAIRMENT AND CCN**

### **Authors**

Owens, Catherine

Constable, Sally

### **Short Abstract**

Book Club is a literacy group developed for adults with intellectual impairment and CCN. This paper will discuss how Erickson and Koppenhaver's program- *Children with Disabilities: Reading and Writing the Four Blocks Way* was adapted to create a program for adult clients. The challenges faced in the development and implementation of Book Club will also be discussed.
