

- TAKING IT TO THE PARK -
MOVING ADULTS TO SYMBOLIC COMMUNICATION THROUGH
EXPOSURE AND MODELLING OUT IN THE COMMUNITY

Author

Doolan, Jessica

Short Abstract

This paper aims to discuss the challenges and successes in running an adult communication group which focuses on trialling a range of communication supports with individuals, integrating a variety of sensory activities to promote regulation and engagement, providing opportunities for literacy development and most importantly, up skilling community access staff to support individuals with each of these areas.
