

## **EYE GAZE TECHNOLOGY – A WINDOW TO THE WORLD**

### **Authors**

Harraway, David  
Hammond, Calum  
Vespa, Jordana

### **Short Abstract**

Ergun Huseyin uses Eye Gaze technology to communicate, and has just published a memoir that he wrote using this system. Ergun and other Eye Gaze users have shown that clear, simple goals and a solid team are critical when using this technology for communication and other applications.
