

# **SYMBOLS SYMBOLS EVERYWHERE: MAKING THE COMMUNITY ACCESSIBLE FOR ALL**

## **Authors**

Lyon, Katie.

O'Connor, Greg.

West, Denise.

## **Short Abstract**

Symbols have been widely used to support communication, independence, writing, reading and access to information. Symbols help anybody who has difficulty with text, people with recognised learning difficulties and people for whom English text presents challenges.

Participants will leave the session with lots of ideas and information on where to access resources that have been developed for local and international projects, as well as a decision making tool that can be used to determine the right symbol set for you!
