

FACILITATED COMMUNICATION TRAINING: 30 YEARS OF DEVELOPING BEST PRACTICE – HOW ARE WE GOING SO FAR?

Authors

Matthew Wilson

Jane Remington-Gurney

Short Abstract

The authors will present a summation of research and data pertaining to the development of FCT in an AAC Context. The panel of FCT users will then share what has helped and what has hindered their journey to enhancing their credibility and communicative competence. This aspect of the presentation may be made orally or by video presentation.
