Mix business with pleasure and host your next catered function, meeting or conference within the world class Adelaide Football Club Training and Entertainment facility, only 20 minutes from the CBD and 15 minutes from the airport.

We welcome private and corporate bookings within the facility and would be happy to tailor the experience to incorporate some football elements if that is the point of difference you are looking for, with your next event. This is a venue that allows us to offer events and experiences that go far beyond the football calendar.

Guided venue tours are also available as a pre or post conference tour options and will enable your delegates to learn more about the Adelaide Football Club and have an exclusive 'behind the scenes' view of the world class facilities used by our AFL players.

We encourage you to join us for your next event and welcome your enquiry.
